

1. Confirmation:

Text:

You guys are officially registered for the free live masterclass.

I'll be dropping the link and pinning it to the description closer to the time.

It's worth blocking off about ninety minutes in your calendar too.

2. Lead Magnet:

Text:

Your free gift is ready by the way guys.

The Brand Launchpad is pinned in the description right now.

3. Unique Mechanism:

Video:

I want everybody that's registered for the free live masterclass to copy and paste the AI organic dropshipping strategy which took my ecommerce brand to multiple six figures.

Private label forces you to go all in prior to having any proof of concept.

AI organic dropshipping allows you to double down once you're already winning.

I'll be teaching everything around this inside of the free live masterclass.

4. Narrative:

Video:

Let me give you guys some context real quick.

I was putting myself through university with next to nothing in my bank account.

I spent ages trying to make my ecommerce brand work until I found something that stuck.

I finally managed to hit it big using AI organic dropshipping.

I'm still working on it to this day and putting others onto the method.

5. Future Pacing:

Video:

I want you guys to picture this for a second.

You wake up without an alarm, to the view of your dreams, day in and day out.

You spend some time working on the brand, producing videos for it, and keeping an eye on things.

You take the rest of the day off even though you're generating sales on autopilot.

This is the life that AI organic dropshipping has handed over to me.

6. Sneak Peek:

Voice Note:

You guys keep asking me what the free live masterclass is all about.

Let me give you a sneak peek into the three pillars that I'll be going through.

The first is how to build a brand which stands out amongst the crowd.

The second is how to generate sales by posting videos on social media.

The third is how to scale while taking a step back from the day-to-day.

There's going to be a Q&A for the ones that stick around until the end.

7. Objection Handling:

Video:

I hope you guys are fine with me reading your minds real quick.

Are you really teaching everything inside of it? I've refined it to what's actually going to move the needle.

Isn't this all on your YouTube channel anyway? The whole point is to hand you the full picture rather than scattered pieces of it.

Will this turn into one grand pitch? I'm teaching it all whether you work with me or not.

What if I simply catch the recording? Being there in person helps extract as much value as possible.

I'll get into everything else throughout the free live masterclass.

8. Addressing:

Video:

You guys have been asking me why the free live masterclass is free of charge.

I'm just going to be straightforward with you, because I get asked this all the time.

It's a common misconception that I have to choose between doing it myself and helping others, even though I can do both at once.

I'm a player and a coach at the end of the day.

This also gives me the chance to learn from everybody who gets results.

9. Reminder / Recap:

Text:

Today is the day people.

I'll be going live at 7:00 PM AEST.

There will be three pillars and a Q&A.

It's so clear and concise that you should be set after only an hour and a half.

I'm going to pin the link in the description and send it through a little later.

10. Reminder / Conviction Building:

Voice Note:

The free live masterclass is going to be rolling within the next hour.

Someone in your position is about to get all of the sauce without any of the downsides.

The only difference between yourself and this person is that they showed up to the free live masterclass.

You don't want to be one of those people who register and don't attend.

The link is pinned in the description but you can also get it here: [LINK]

11. Reminder:

Text:

I'm on the air as we speak.

The room's filling up quite a bit and I'm about to get into the first pillar.

Here's the link for it or check what's pinned in the description: [LINK]

12. Reminder:
